

NG Talents FAQ - Job Seekers

Question	Answer
I've opted to be invisible, how does that work?	Recruiters won't be able to see your profile or request a meeting with you, but you can request a meeting with them. If you do, they will be able to see your profile, so make sure that you have completed it.
I'm not currently working at a company/don't want to disclose this information, what do I fill in the 'company name' field?	You can set your first name + last name as your company name instead.
Where can I find the vacancies?	Click here. (You have to be logged in to the NG Talents MeetToMatch platform to see the vacancies) If you don't have an account yet: click here and scroll down. If you do have an account: click on 'Attendees' in the menu.
Where can I see what companies are participating?	Upgrade your Nordic Game pass here (no additional costs).
How can I participate?	The link to the Discord server will be added to the MeetToMatch Dashboard once it's open. It will also be share by you in an informative newsletter before the start of the event.
How do I access the Discord server?	During NG21 May week (24-28 May), you can check out vacancies and book your NG Talents meetings, enjoy the conference program and Discord, socialise on MixUp and more. The week after the conference (31 May - 4 June), take your remote meetings. The NG Talents platform will also remain up from 7-30 June for participants to wrap-up their meetings and follow-up.
How long is the platform open after the event?
